One of the primary purposes of cookies is to provide a convenience feature to save you time. The purpose of a cookie is to tell the Web server that you have returned to a specific page. For example, if you personalize PNW pages, or register with PNW site or services, a cookie helps PNW to recall your specific information on subsequent visits. When you return to the same PNW website, the information you previously provided can be retrieved, so you can easily use the PNW features that you customized.

You have the ability to accept or decline cookies. Most Web browsers automatically accept cookies, but you can usually modify your browser setting to decline cookies if you prefer. If you choose to decline cookies, you may not be able to fully experience the interactive features of the PNW services or websites you visit.
